### I. Introduction and Background

On April 18, 2008, the Deputy Clerk of the Public Service Board ("Board") issued a memorandum entitled, "Memorandum from Second RGGI Workshop re the Establishment of a Process to Allocate Vermont's Budget of Carbon Credits, and Appointment of Consumer Trustee or Trustees pursuant to 30 V.S.A. § 255." The memo outlined issues raised at the second RGGI workshop that will be considered by workshop participants over the next few weeks as they participate in a cooperative effort to draft a "strawman" implementation proposal for 30 V.S.A. Section 255.

The purpose of this memorandum is to set out a schedule for (1) the development of that proposal, (2) for comments and (3) for a workshop to discuss any issues raised by (1) and (2). The Board staff propose the following schedule:

May 16, 2008 – Department of Public Service distributes "strawman" proposal  
May 23, 2008 – Comments on proposal due  
May 27, 2008 – Workshop

**The workshop will be held on Tuesday, May 27, 2008, from 1:30 - 3:00 P.M. at the Public Service Board Hearing Room, located on the third floor of the Chittenden Bank Building at 112 State Street, Montpelier, Vermont.** In order to facilitate future discussions among workshop participants, the workshop will be recorded by a court reporter. The Board would like to know how many people are likely to attend the workshop. Therefore, it asks that persons planning on attending e-mail the Clerk of the Board at [psb.clerk@state.vt.us](mailto:psb.clerk@state.vt.us).
